## CITY AND COUNTY.

## BRIEFLETS.

—May's teeth chatter.

—Not so much of a clamor for seats in the park.

—The Temple of Honor has a regular meeting to-night.

—The sprinkling cart is hunting up a few dry spots on the streets.

—The study of the Mutual Improvement Club takes place this evening.

—Mrs. D. A. Beale has returned from her trip through Missouri. She is still an enthusiast in the cold-water work.

—General Bintliff's family left this morning to take up their residence in Darling-ton, Wisconsin.

—It will be a lively season for pools—especially on the fields and track, unless rain comes to an end soon.

—Mr. and Mrs. D. B. Nye have gone to Jacksonville, Illinois, where Mr. Nye will open up a photograph gallery.

—Mr. H. C. Stearns, the druggist, has gone to Ohio, for a week's stay, he having friends there, whom he will visit.

—The First Methodist church is arranging to hold a strawberry festival at an early date, and is to send far into Egypt for the fruit.

—Mr. James Lewis, formerly of Janesville, and now of Des Moines, has been spending a few days in the city. He seems to enjoy his place as engineer on a short run near Chicago.

—The Circuit Court couldn't have much of a term without C. T. Wilcox furnishing some business. As usual his name appears in case No. 2 on the calendar. He comes to the front nobly.

—Alva Russell has lost a horse by sudden death. The steed was taken sick Wednesday night and yesterday morning passed from earth to —. He was a veteran having been driven on the bus for over nine years.

—Messrs. Norcross & Dunwiddie are to occupy the office lately used by Mr. J. P. Williams, who has moved his desk into Dimock & Hayner's office. Mr. J. A. Allen will continue to have a desk in the old office of Mr. Williams.

—The Beloit Graphic says: "W. Y. Wilson has been shaking hands with old Beloit friends this week. He reports business moderate in Janesville." Wilson owns up to that he found business in Beloit fine, in fact so fine that he couldn't see any, not even with his "spec's."

—Mr. G. C. Fritz, advance agent of the Heelan Band, called at the Gazette office to-day. He has made arrangements for the band to appear at the Opera House, one week from to-night, May 17, and they will probably give two more concerts here during the week following that date.

—Officer Comstock started for Wau-pun this afternoon, taking with him George C. Clark, who pleaded guilty this morning to stealing a cow, and who was sentenced for one year at hard labor, the first four days being solitary confinement. Clark is said to have been there before on a similar offense, and it seems as if he was a regular cow-maniac.

—Heinrich has at his drug store some bright colored and decidedly unique little fishes, caught near Janesville, which he can't find a name for, as all the lovers of natural science, and those who ought to be posted on such things, declare they never saw anything like them. They are really as curious as they are beautiful, but appear to be short-lived, as nearly all of those brought in have died.

—From San Francisco comes the news that on the 29th of last month, in that city, Mrs. Helen M. Cushman was married to Prof. J. W. Yarbally, the ceremony being performed by Rev. Mr. Noble, pastor of the Second Congregational church. Mrs. Cushman was formerly a resident of Janesville, being the daughter of Mr. D. D. Wilson. She has many friends here who extend to her the warmest of welcomes.

—A Byrne, of Beloit, was in the city yesterday. He invited a couple of fellows up to drink, and pulled out his pocket-book to pay for it, handing the bar-keeper a \$5 note. After getting his change he started out, and claims that he hasn't seen his pocket-book since. It contained another \$5 note, and he thought first that one of his fellow-drinkers must have taken it, and was going to serve a warrant but changed his mind.

—King's bookstore seems to be a popular resort for those desiring anything in that line, and he is doing a thriving business. He is prompt in filling orders, and supplies subscribers to periodicals, with great regularity, and in fact seems to be winning his way right along by his accommodating disposition and gentlemanly treatment of customers. He has a large and complete stock, and always gets hold of the latest novelties.

—The cackling of geese is the warning note of war, and the women will fight for their feathered pets even quicker than for themselves. Mrs. Larkin is just such a protector of geese, and because some neighbor objected to turning his garden into a goose pasture, she opened the war by heaving pelts at him. She was promptly led before Justice Pritchard, who gave her a few days time to work up an explanation of her conduct.

—Johnny Shelton yielded again to the tempter yesterday and was so full of bad whiskey as to set him crazy. He began smashing the furniture in his aunt's house, and the women become so much alarmed that they sought help. Messrs. E. D. Tallman and George Cullen came to the rescue and quieted the young man down by throwing him on the floor. In the fall his head came in contact with the stove, but neither was injured by the collision. John needs a red ribbon badly.

—One of the attendants at the Young Men's Christian Association's Convention, who hails from Waukesha, related to his brethren yesterday his experience in distributing tracts among the uncivilized. Last Sunday he said he thought he had struck a good field for missionary work, because Burr Robbins' circus was encamped there. He went down to the grounds to pass around the tracts, and was greatly surprised at the quickness and ordliness which prevailed. He heard no profanity, saw no rudeness, and in fact was so pleased that he paid in open convention a high tribute to the men.

## BEFORE THE BAR.

Call of the Criminal Calendar and Arraignment for Prisoners—Other Doings of the Circuit Court.

In the Circuit Court the criminal calendar was called this morning, and the prisoners arraigned.

The case of the State vs. Samuel P. St. John, brought here from Dane county, was reported as ready for trial.

State vs. Jacob Bender, a *nolle proes* entered on motion of the District Attorney.

State vs. Thomas Mulcairn, continued on application of District Attorney.

State vs. John Roethlinger, a *nolle proes* entered on motion of the District Attorney.

The continued cases of the State against, severally, Peter Hogan, Augustus C. Dow, John Gorman, James McCartney, Byron Kinly, Charles Van Epps and Orway Hyatt, James Snell and Stephen Snell, and John Churchill, were reported for trial.

George C. Clark pleaded guilty to stealing a cow, and was sentenced to one year in the penitentiary.

Isiah Waide and William Hall, charged with forging two signatures to a release of a mortgage, pleaded not guilty, and asked for a continuance in order to get a witness in their behalf Mr. Hall, the father of one of the accused, who is now in Nebraska, and by whom they expect to prove that the signatures are genuine.

John McCue charged with assault with a deadly weapon, pleaded not guilty, and secured a continuance till next term to secure a needed witness now absent from the State.

The appeal case of Meder Perigo, who was fined \$25 in the lower court for assault, was dismissed on payment of fine and costs. In another case, charging him with assault, he pleaded not guilty.

A similar case against Edward Martin, growing out of the same quarrel was disposed of in like manner.

Edward Higgins, charged with larceny from the person, pleaded not guilty.

Walter Lawrence, charged with larceny, did likewise. He is the young man whom the Clinton banker claimed he overpaid on a check.

Michael Murphy and Thomas Townsend stood accused of larceny. The former pleaded not guilty and the latter guilty.

The appeal cases of the State vs. John A. and Henry Collins, and two from Walworth county against John Regan, were reported for trial.

C. M. Richards, charged with burglary and larceny, pleaded not guilty.

George White also pleaded not guilty to a similar charge. He is the young man who is charged with entering Mr. Bush's house in this city.

Z. B. Custer, the vendor of a patent right of a sad-tron, charged with obtaining property and money under false pretenses, pleaded not guilty and applied for a continuance.

James McHenry reported himself ready for trial.

An information will probably be filed to-morrow morning against W. A. Brown, who is charged with incendiarism, so that he can be tried at this term of the court.

The trial of the criminal cases will commence one week from Monday next.

The case of Schenck vs. the Beloit Water Power Company was continued to-day. One of the jurors, James McNece, of Bradford, was necessarily absent owing to the serious illness of his wife, and by consent of both parties to the suit, the taking of testimony was put over until he could return.

## CLOSING ITS WORK.

The Last Day of the Convention of Christians—An Interesting Programme Well Carried out.

The Young Men's Christian Association continued its convention last evening, the meeting being held at Court Street church, led by Mr. W. E. Lewis, the State Secretary and Chairman of the convention. After a few remarks he introduced Rev. Mr. Fletcher, of Chicago, who spoke earnestly on the subject assigned for the evening's discussion, it being "The Relation which the Young Men's Christian Association bears to the Temperance Cause."

Mr. W. O. Lattimore, of Chicago, followed, basing his remarks on a scriptural passage, and giving a very earnest address.

The exercises were interspersed with singing, and were throughout of an interesting character.

This morning the convention called to order at the rooms of the local association, Mr. Lewis presiding.

The opening devotional exercises were conducted by Mr. W. J. Fuller, of Madison, and after a half hour spent in this manner, Mr. H. G. Spafford, of Chicago, conducted a Bible reading, taking for his theme "Work." This feature of the programme was pronounced the most interesting and instructive of any. Mr. Spafford has been long and intimately connected with the work in Chicago, and has proved a great help to the association there, and in the several meetings held by Moody and Sankey. He is a close bible student, an enthusiastic Sunday school worker, and in the exercise this morning showed himself fully up to his part.

An informal discussion followed on the topic, "Local Associations and the State Cause," in which Mr. W. E. Lewis led off, and was followed by Mr. Martin, of Madison, Mr. Cheney, of Emerald Grove, and others.

The afternoon exercises took place in the Court Street church Sunday school room, and opened with a devotional meeting. Another Bible reading took place led by Mr. C. W. Turner, of Milwaukee, Secretary of the State Committee. The topic of "Personal Work, its importance and blessedness," was then informally discussed, the first speaker being Mr. George J. Rogers, President of the Milwaukee Association.

This evening the convention will meet in the audience room of the Court Street Methodist church, at half-past seven o'clock, when there will be a general discussion of the subject, "Purposes of the Future; are they for Christ, or against him?"

This will close the work of the convention. The latter part of the month a similar convention will be held in Oakshah to accommodate those who find it inconvenient to come to this city for such a purpose.

## A FORGER'S PEN.

A Harness-maker in Trouble, Charged with Manufacturing a Fictitious Note—His Arrest, and Details of the Charges Against Him.

Mr. Munson Pond, of Edgerton, was to-day lodged in jail on the charge of forgery. It appears from the charges which he will be called upon to answer, that Mr. Jerome Vaughan, who lives in the town of Fulton, gave him a note for \$30 in settlement of an account due Pond, who is a harness-maker. About a week after Pond came in possession of this note, it is claimed that he made a facsimile of it, and that he presented this forged note to Mr. R. M. Botwick, of this city, in payment for a suit of clothes. Mr. Henry Whitaker, of Fulton, happened to be in Mr. Botwick's store that day, and not only deemed the note a genuine one, but offered to purchase it. The note was accordingly sold to Mr. Whitaker, who afterwards found out to his surprise, that Vaughan, the purported signer, pronounced it a clear forgery. The genuine note, of which this was an attempted facsimile, was obtained by the officers, and has been placed in the hands of the authorities who have caused Pond's arrest, and on a preliminary examination, he was held over to the Circuit Court, for trial. In default of bail he was locked up. It is said that for several days previous to Pond's arrest attempts were made to induce him to settle up the matter, by paying those who were out of pocket on the matter, but he obstinately refused to do so, and was accordingly prosecuted.

Pond is a man about forty years old, and has lived in that vicinity for years. He has a large family who stand high in the community, and are greatly respected. One of his sons is an employee of Mr. Burr Robbins, he having learned his trade in his father's shop, and being employed in making harness for Mr. Robbins. He like the other members of the family has always borne an enviable reputation, and the blow to the friends of the accused man will come with great severity.

## THE WEATHER.

The thermometer at 7 o'clock this morning stood at 46 degrees above zero and at 2 o'clock at 52 degrees above. Cloudy and breezy. One year ago to-day at corresponding hours the thermometer stood at 43 and 67 degrees above.

The indications to-day are, southwest winds, warmer, partly cloudy weather, occasional rains, stationary or rising barometer.

## NEW GROCERY HOUSE.

We call attention to the new grocery house at the old stand of the 99 cent store Main street, Myers house block, just opened by Mr. John Myers. His stock is all new and bought for cash at bed rock prices, and will be sold at figures to suit all. He will keep a full line of all kinds of staple and fancy groceries, and will make a specialty of fruits and vegetables, which he proposes to receive fresh each day. To the farmers he wishes to say that at all times he will be prepared to buy their butter and eggs, paying the highest market prices. Give him a call.

## BITTEN BY A HORSE.

Mr. DeWitt Stark, a son of the Hon. W. H. Stark, met with a serious accident at his home, near Shopiere, this morning. He entered the stable of a high-lived and rather vicious stallion, and without a word of warning, the stallion grabbed him by the right arm, setting his teeth into the flesh and mauling the bone, causing besides the flesh wounds, a compound fracture of the radius, and quite seriously shaking the young man up before he would let go his hold. A messenger was at once dispatched to this city, and the services of Dr. G. W. Chittenden secured, who attended to the injuries.

## CITY NOTICES.

To Neutralize Offensiveness.

In many forms we use disinfecting agents. Impure breath, caused by bad teeth, tobacco, spirit, or catarrh, is neutralized by Sodozont. This a healthful beautifier, and a great luxury as a dentifrice. The repulsive breath is by its use rendered as fragrant as a rose, and coldness by friends or lovers will be no longer noticed.

Spaulding's Glue mends everything.

LOCAL MATTERS.

Ladies and Gents will always find the most and cheapest Boot and Shoe Stationery in the city and Sutherland's Bookstore, No. 29 Main street.

No hotel in this country or Europe is more thoroughly comfortable for families and ladies traveling alone, than the well known Colonial Hotel, in Philadelphia, Pa. my6d1w

Our druggists are selling large quantities of Dr. Marshall's Lung Syrup, for Coughs, Colds, and Pulmonary complaints generally. It takes the lead of all cough remedies. Try it, only 25 cents a bottle. Sold by E. B. Holmstrom. my6d1w

The patronage among the first class hotels in New York, is constantly changing from one hotel to the other. The Grand Central Hotel, has recently incited the dread wrath of its competitors by offering the same accommodations for one and two dollars per day less than the others. my6d1w

No trifle with a severe Cough or Cold. Proceed in time, if you wish to save doctor bills, a bottle of Dr. Marshall's Lung Syrup. Price only 25 cents, large size 50 cents. Sold by E. B. Holmstrom. my6d1w

Cocoa-nut oil is unquestionably the best preparation for the hair extant, and Brazilian Cocoa Cream is nothing more nor less than pure cocoa-nut oil, with just sufficient of other harmless ingredients to render it convenient for use. Sold by Croft & Shearer, A. J. Roberts, and H. O. Stearns. my6d1w

Dunbar's Wonderful Discovery.—Be-theoda Water, the acknowledged cure of Bright's Disease, Diabetes, Kidney Affections of all kinds, and Dropsy, Incontinence of Urine, Bladder Affections, Dyspepsia and Gouty Swellings. E. B. HEIMSTREET, Sole Agent for this City. my6d1w

A CARD.

To all who are suffering from the errors and indiscretions of youth, nervous weakness, early decay, loss of manhood, &c., I will send a receipt that will cure you, FREE OF CHARGE. This great remedy was discovered by a missionary in South America. Send a self-addressed envelope to the Rev. JOSEPH T. INMAN, Station D, Bible House New York City. my6d1w

An Astonishing Fact.

A large proportion of the American people are to-day dying from the effects of Dyspepsia or disordered liver. The result of these diseases upon the masses of intelligent and valuable people is most alarming, making life actually a burden instead of a pleasant existence of enjoyment and usefulness as it ought to be. There is no good reason for this, if you will take the advice of a friend, and obtain a bottle of the medicine here given away to try its virtues, with satisfactory results in every case. You can buy a sample bottle for 10 cents to try. Three doses will relieve the worst case. Promptly sold by all druggists on the western continent. my6d1w

Womanly Elegance and Grace.

There are few among our fair readers who would not gladly possess the rosy complexion, the beautiful form, the cheerful and elastic spirits, that good health always imparts. Parker's Ginger Tonic will restore these feminine attributes to thousands whose shattered constitutions are due to functional derangement. It radically cures Dyspepsia, gives tone to the feeble organs, dissipates Headache, Neuralgia and Nervousness, relieves painful Periods, and safely establishes regularity of the female functions. It soothes the nerves, imparts ease and strength to mothers themselves, and through the milk to their nursing babes, prevents the Rashes and Constipation peculiar to infants in a delicate condition, and greatly relieves the sufferings of this period. It acts like a charm on the digestive machinery, speedily counteracts the weakening effects on the bowels of excessive heat, indigestion, or impure water, and is warranted to cure the worst forms of Colic, Cramps, Diarrhea, Dysentery, Bloody Flux, Cholera Infantum, and even Asiatic Cholera if taken in time. Buy a bottle of your druggist, A. J. Roberts, or a sample bottle at 15 cents, and test its extraordinary merits. my6d1w

TODAY'S ADVERTISEMENTS.

REPORT

of the condition of the

First National Bank of Janesville,

in Janesville, in the State of Wisconsin, at the close of business on the 1st day of May, 1878:

The Wheeler & Wilson No. 8.

The No. 8 is not the old style Wheeler & Wilson Sewing Machine improved or changed, but is an entirely new invention. The old style Wheeler & Wilson has a curved needle—the No. 8 has a straight one. In the old style Wheeler & Wilson the work feeds to the right; in the No. 8 it feeds back, or from the operator.

The No. 8 possesses many points of superiority over any other machine. It is, taking everything into consideration, the cheapest machine in the market. All those interested in sewing machines will do well to examine this marvel of mechanical ingenuity. Liberal terms given to sewing machine dealers residing in unoccupied territory. Address

WHEELER & WILSON, MFG. CO., CHICAGO, ILL.
